Church Assessment Has Begun!

If you didn't receive an email with the link please let Chris know and she will email it to you. If you don't have access to a computer, there are hard copies available. Just complete it, give it back to Chris (don't put your name on it) and she can enter it for you.

Volunteers for Phone Interviews

We are looking for individuals and couples of all age groups willing to participate in the VitalChurch phone interviews. Each interview consists of a 45 minute phone call with a member of the interview team. It is a time for people to share from their hearts what they love about their church as well as any areas of concern. What is communicated is kept in confidence.

The interviews will take place between July 8th and July 19th. You will be notified of the date and time of your interview a few days in advance.

There are a limited number of interview slots available so there's a chance not all who volunteer will be participating.

Please return the enclosure in today's bulletin if you are interested in the phone interview.

This means that whatever our church gives to the Great Commission from now through June will be matched. Our deadline is June 31st.
